THE APPOINTED DAYS OF THE ALMIGHTY GOD

## CALENDAR INTRO:

- Thank you for joining us on the Biblical Calendar! We do not claim to be experts or to have all the answers, but simply sharing our journey as we study the Scriptures and ancient texts. The calendar discussion should not be a dividing or contentious point in our walk, but one of excitement as we better learn the ways of the Almighty God of the Bible!
- The Zadok Priestly Calendar uses the Torah, Prophets, & New Testament in collaboration with Enoch, Jubilees, and other documents found in the Dead Sea Scrolls, recorded in great detail by the Sons of Zadok, descendants of Aaron, the High Priest. We believe all of these texts have been preserved for our understanding and walking out truth.
- This 364 Day Calendar, consisting of 52 Weeks, uses the celestial witnesses given to us in Genesis 1:14 to determine the start of the year and stay on course throughout. The 4th Day of the Week [Wednesday] after the Spring Equinox begins each year, landing the Moedim, God's Biblical Feasts, on the same day and date each year. This allows the Moedim to never fall on a weekly Sabbath, confirmed with David's 52 Sabbath Psalms, found in the Dead Sea Scrolls.
- Months are based on the counting of the chodesh (Hebrew for month), using the sun, moon and stars as a guiding witness. This is contrary to the common use of the new moon used for determining the start and length of the months.
- Most importantly, this calendar helps us piece together with precision, Biblical timelines, especially the death, burial and resurrection of our Savior Y'shua (Jesus), as we know these days are all pointing to Him!

## ROLE OF THE MOON

- A unique feature of the calendar is that it does not use the moon to determine the start and length of months, but a set counting of 30, 30 & 31 days each season, as shown on the previous page.

### CHODESH

Original Word: חֹדֶשׁ

Part of Speech: Noun Masculine

Transliteration: chodesh

Phonetic Spelling: (kho'-desh)

Short Definition: month

### YAREACH

Original Word: יָרַח

Part of Speech: Noun Masculine

Transliteration: yareach

Phonetic Spelling: (yaw-ray'-akh)

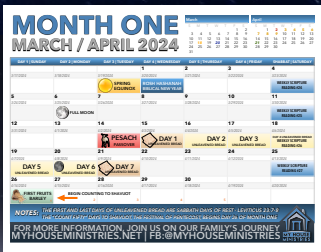

Short Definition: moon

*Throughout the Torah & Prophets, the word "month" is found over 200 times, with each instance being the Hebrew word "chodesh". In contrast the moon month or a "lunation" is only found 3 times and in each instance the Hebrew "yeraach" is used. Similarly, the Hebrew word "yareach" for moon is found 26 times, always being used in reference to the moon.*

## THE CALENDAR CHANGE

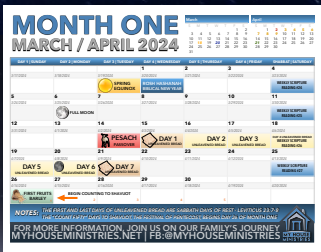

*Antiochus Epiphanes*

“He shall speak words against the Most High,  
and shall wear out the saints of the Most High,  
and shall think to change the times and the  
law; and they shall be given into his hand.”

*Daniel 7:25*

## CHILDREN OF THE LIGHT

**PROVERBS 6:23** - "For the commandment is a lamp and the Torah a light, and the reproofs of discipline are the way of life."

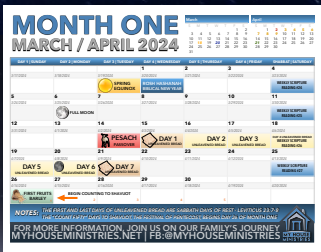

**JOHN 8:12** - Again Jesus spoke to them, saying, "I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life."

**1 THESSALONIANS 5:1-5** - "Now concerning the times and the seasons, brothers, you have no need to have anything written to you. For you yourselves are fully aware that the day of the Lord will come like a thief in the night. While people are saying, "There is peace and security," then sudden destruction will come upon them as labor pains come upon a pregnant woman, and they will not escape. But you are not in darkness, brothers, for that day to surprise you like a thief. For you are all children of light, children of the day."

THE APPOINTED DAYS OF THE ALMIGHTY GOD

"But the Levitical priests, *the sons of Zadok*, who kept charge of My sanctuary when the sons of Israel went astray from Me, shall come near to Me to minister to Me; and they shall stand before Me to offer Me the fat and the blood," declares יהוה the LORD GOD.

# BIBLICAL FEASTS

THE APPOINTED DAYS OF THE ALMIGHTY GOD

- 1. Biblical Precedence:** The Reading's are a first century believer's approach to learning the Holy Word of our Creator, what is instructed of those in covenant with Him, and how to walk obediently in His Ways [Acts 15].
- 2. Unity:** Believers all over the world are reading, studying, and meditating on similar schedules at the same time each year! Many times, we receive revelation through the Holy Spirit, that was confirmed in a brother or sister in another part of the world, around the same time. There is power in coming together as we read the Word!
- 3. Discipline:** It can be easy to fall into the trap of studying aspects of the scriptures that are exciting to us or topics that are trending. The Torah Portions help us dig into the Word, in a structured format, year by year, to remember all that He has instructed His people! We are constantly being reminded of details easily forgotten.
- 4. Depth:** Each year, we are hopefully growing closer to our Creator through Messiah and the Spirit of God. This means that our understanding will also continue to grow. Sections of scripture and or instructions that may have seemed small, physical, and confusing in the past now will have deeper, more spiritual impacts!

This year, the My House family is following a slightly modified version of the Weekly Scripture Readings, known as the Torah Portion - and we are inviting you to join us!
